| <b>A5</b> | If applicable, reflects the amount of transitional support provided to assist the municipality in adjusting to year-over-year funding changes.                                                                                                                                                                                                                            |
| <b>B1</b> | Based on the 2021 returned roll from the Municipal Property Assessment Corporation (MPAC).                                                                                                                                                                                                                                                                                |
| <b>B2</b> | Refers to the total assessment for a municipality weighted by the tax ratio for each class of property (including payments in lieu of property taxes retained by the municipality) divided by the total number of households.                                                                                                                                             |
| <b>B3</b> | Represents the proportion of a municipality's population residing in rural areas and/or small communities. For additional information, see the 2022 OMPF Technical Guide, Appendix A.                                                                                                                                                                                     |
| <b>B4</b> | Represents the percentage of a municipality's land area comprised of farm land. Additional details regarding the calculation of the Farm Area Measure are provided in the 2022 OMPF Technical Guide, Appendix B.                                                                                                                                                          |
| <b>B5</b> | Measures a municipality's fiscal circumstances relative to other northern and rural municipalities in the province, and ranges from 0 to 10. A lower MFCI corresponds to relatively positive fiscal circumstances, whereas a higher MFCI corresponds to more challenging fiscal circumstances. For additional information, see the 2022 OMPF Technical Guide, Appendix D. |
| <b>B6</b> | Represents the guaranteed level of support the municipality will receive through the 2022 OMPF. For additional information, see the 2022 OMPF Technical Guide.                                                                                                                                                                                                            |
