**PART 1 AMENDMENTS TO COMPANION POLICY 13-502CP FEES**

**1.1 Amendments to Companion Policy 13-502CP Fees**

- (1) Companion Policy 13-502CP is amended by this instrument.
- (2) The following is added to the Companion Policy as section 2.3:

**“Registrants under the Act and the *Commodity Futures Act***

- (1) The Rule imposes an obligation to pay a participation fee on registrant firms, as defined in the Rule. A registrant firm is a person or company registered as a dealer or adviser under the Act. An entity so registered may also be registered as a dealer or adviser under the *Commodity Futures Act*, however an entity registered under both statutes will be a registrant firm under the Rule and will therefore pay a participation fee under the Rule. The revenue of such an entity from *Commodity Futures Act* activities will be included in the calculation of revenues made by the entity for purposes of calculating its fee under the Rule, as the definition of “capital markets activities” includes activities for which registration or an exemption from registration under the *Commodity Futures Act* is required. Section 2.8 of Rule 13-503 (*Commodity Futures Act*) (Ontario) exempts such an entity from paying any participation fee under that rule if the entity is current in paying its participation fees under the (*Securities Act*) Rule.
- (2) It is noted that registrant firms will pay activity fees under Rule 13-503 (*Commodity Futures Act*) (Ontario) even if they are not required to pay participation fees under that Rule.”
- (3) The following is added to the Companion Policy as section 2.4:

**“2.4 Registrant Firms** - A participation fee is paid by a “registrant firm”, which is defined in the Rule as “ a person or company that is registered as one or both of a dealer or an adviser under the Act”. This definition ensures that a participation fee is paid at the firm level, and not by individual partners, directors, officers, representatives or salespersons of a firm.”
- (4) Old sections 2.3, 2.4 and 2.5 are renumbered as sections 2.5, 2.6 and 2.7, respectively, and references to such sections appearing in the Companion Policy are amended accordingly.

- (5) Section 3.2 is amended by the deletion of the last sentence of subsection 3.2(1) and the substitution of the following:

“Subsection 2.3(1) of the Rule requires the payment of this participation fee to be made by the earlier of the date on which the reporting issuer’s financial statements are required to be filed and the date on which the reporting issuer’s annual financial statements are filed.”

- (6) Subsection 3.3(1) is deleted and the following substituted:

“(1) Section 2.5 of the Rule requires the calculation of the capitalization of a Class 1 reporting issuer to include the aggregate market value, at the end of the relevant financial year, of each class or series of corporate debt and of each class or series of preferred shares of the reporting issuer or, if applicable, a subsidiary entity of the reporting issuer. It is noted that the requirement that corporate debt or preferred shares be valued in accordance with market value excludes from the calculation corporate debt or preferred shares that are not normally traded after their initial issuance. For instance, corporate debt or an issue to its bankers generally would have no market value and would not be included in these calculations.”

- (7) Section 3.4 is amended by the deletion of the first sentence and the substitution of the following:

“Paragraph 2.7(b) of the Rule requires that the participation fee for a Class 3 reporting issuer that has no debt or equity securities listed or traded on a marketplace located anywhere in the world be determined by reference to the percentage of outstanding equity securities of the Class 3 reporting issuer registered in the name of Ontario persons.”

- (8) Section 3.3 is amended by the addition of the following as subsections (3) and (4):

“(3) It is noted that market value calculation of a class of securities included in a calculation under section 2.5 will include all of the securities of the class, even if some of those securities are still subject to a hold period or are otherwise not freely tradable.

(4) If the closing price of a security on a particular date is not ascertainable because there is no trade on that date or the marketplace does not generally provide closing prices, a reasonable alternative, such as the most recent closing price before that date, the average of the high and low trading prices for that date, or the average of the bid and ask prices on that date is acceptable.”

- (9) Section 4.4 is amended by
- (a) renumbering the existing section as subsection (1); and
  - (b) adding the following as subsection (2):  

“The definition of “capital market activities” also includes activities for which registration or an exemption from registration under the *Commodity Futures Act* is required. The Commission is of the view that these activities would include, without limitation, trading in commodity futures contracts, providing commodity futures contracts-related advice and portfolio management services involving commodity futures contracts.”.
- (10) Section 5.1 is deleted, and subsequent sections renumbered.

## 1.2 Amendments to Appendices to Companion Policy 13-502CP

- (1) The Appendices to Companion Policy 13-502CP are amended by this Part of this instrument.
- (2) Appendix A is amended by
- (a) the change of the Activity Fee in respect of “files application for relief pursuant to sections 104 and 121 of the Act” from “\$5,500” to “\$7,000 (\$5,500 plus \$1,500)”, and the addition of the following footnote to that Activity Fee, with subsequent footnotes renumbered:  

“as to the \$5,500 fee, see item F.1 of Appendix C to the Rule and, as to the \$1,500 fee, see item F.3 of Appendix C to the Rule.”.
  - (b) the deletion of the Item “files a Form 42 Report of Issuer Bid”;
  - (c) the change of the second last Item to “files final short form prospectus”; and
  - (d) the change of the Activity Fee payable in the last Item from “\$500” to “nil”.
- (3) Appendix B is amended by the deletion of the reference to “Form 13-502F1” in the first Item and the substitution of a reference to “Form 13-502F3”.
- (4) Appendix E is amended by the deletion of the reference to “Form 13-502F2” in the first Item and the substitution of a reference to “Form 13-502F3”.

- (5) The footnotes to Appendices A to E are amended by the following changes to the following footnotes, as numbered without regard to the renumbering of footnotes referred to in paragraph 2(a) above:
