Notes and Instructions

1. Registrant firms are required to complete the Part that applies to their particular category of registration, as follows:

Part I - Investment Dealers Association of Canada members
Part II – Advisers and other Dealers
2. The components of revenue reported in this Form should be based on the same principles as the comparative statement of income that is prepared in accordance with generally accepted accounting principles (“GAAP”), or such equivalent principles applicable to the audited financial statements of non-resident advisers, except that revenues should be reported on an unconsolidated basis. It is recognized that the components of the revenue classification may vary between firms. However, it is important that each firm be consistent between periods.
3. Each Part of this Form should be read in conjunction with the related notes and instructions of that Part where applicable.
4. Members of the Investment Dealers Association of Canada may refer to Statement E of the Joint Regulatory Financial Questionnaire and Report for guidance.
5. Comparative figures are required for the registrant firm’s year end date.
6. Participation fee revenue will be based on the portion of total revenue that can be attributed to Ontario. The percentage attributable to Ontario for the reported year end should be the provincial allocation rate used in the corporate tax return for the same fiscal period. For firms that do not have a permanent establishment in Ontario, the percentage attributable to Ontario will be based on the proportion of total revenues generated from CFA activities in Ontario.
7. All figures should be expressed in Canadian dollars and rounded to the nearest thousand.
8. Information reported on this questionnaire must be certified by two members of senior management in Part IV to attest to its completeness and accuracy.

**ONTARIO SECURITIES COMMISSION
COMPANION POLICY 13-503CP
(COMMODITY FUTURES ACT)**

PART 1 PURPOSE OF COMPANION POLICY AND INTERPRETATION

1.1 Purpose of Companion Policy - The purpose of this Companion Policy is to state the views of the Commission on various matters relating to Rule 13-503 Fees under the CFA (the “Rule”), including

- (a) an explanation of the overall approach of the Rule;
- (b) explanation and discussion of various parts of the Rule; and
- (c) examples of some matters described in the Rule.

1.2 Interpretation - Terms defined in the Rule and used in this Companion Policy have the respective meaning ascribed to them in the Rule.

PART 2 PURPOSE AND GENERAL APPROACH OF THE RULE

2.1 Purpose and General Approach of the Rule

- (1) The general approach of the Rule is to establish a fee regime that is consistent with the approach of Rule 13-502 (the “OSA Fees Rule”), which governs fees paid under the *Securities Act* (Ontario). That rule is designed to accomplish three primary purposes – to reduce the overall fees charged to market participants from what existed previously in Ontario, to create a clear and streamlined fee structure and to adopt fees that accurately reflect the Commission’s costs of providing services.
- (2) The fee regime implemented by the Rule is based on the concept of “participation fees” and “activity fees”.

2.2 Participation Fees - Participation fees generally are designed to represent the benefit derived by registrant firms from participating in Ontario’s capital markets. Registrant firms are required to pay participation fees annually. The participation fee is based on a measure of the registrant firm’s revenues from CFA activities in Ontario, which is intended to serve as a proxy for the registrant firm’s activities under the CFA. The amounts of the participation fees have been based on the cost of a broad range of regulatory services that cannot be practically or easily attributed to individual activities or entities. Participation fees replace most of the filing fees and other activity fees formerly charged to registrant firms under the previous fees regime.

2.3 Registrants under the CFA and the *Securities Act* (Ontario)

- (1) The Rule imposes an obligation to pay a participation fee only on registrant firms, as defined in the Rule. A registrant firm is a person or company registered as a dealer or adviser under the CFA. The only registrant firms to pay a participation fee under the Rule will be those firms registered in Ontario only under the CFA. An entity that is registered both under the CFA and the *Securities Act* (Ontario) is exempted by section 2.8 of the Rule from the requirement to pay a participation fee under the Rule if it is current in paying its participation fees under the OSA Fees Rule. Such an entity will pay its participation fee under the OSA Fees Rule, and will include its revenues derived from CFA activities as part of its revenues for purposes of determining its participation fee under that Rule.
- (2) It is noted, of course, that dual registrants will pay activity fees under the Rule in accordance with Appendix B of the Rule even though they may pay their participation fees under the OSA Fees Rule.

2.4 Registrant Firms - A participation fee is paid by a “registrant firm”, which is defined in the Rule as “a person or company that is registered as one or both of a dealer or an adviser under the CFA”. This definition ensures that a participation fee is paid at the firm level, and not by individual partners, directors, officers, representatives, salespersons and floor traders of a firm.

2.5 Activity Fees - Activity fees are designed to represent the direct cost of Commission staff resources expended in undertaking certain activities requested of staff by registrant firms or other persons or companies, for example in connection with the applications for discretionary relief or the processing of registration documents. Market participants are charged activity fees only for activities undertaken by staff at the request of the market participant. Activity fees are charged for a limited number of activities only and are flat rate fees based on the average cost to the Commission of providing the service.

2.6 No Refunds

- (1) Generally speaking, a person or company that pays a fee under the Rule is not entitled to a refund of that fee. For example, there is no refund available for an activity fee paid in connection with an action that is subsequently abandoned by the payor of the fee. Also, there is no refund available for a participation fee paid by a registrant firm whose registration is terminated later in the calendar year for which the fee was paid.

- (2) An exception to the principle discussed in subsection (1) is provided for in subsection 2.3(4) of the Rule. This provision allows for the adjustment of a participation fee paid by a registrant firm based on a good faith estimate of its revenues if its financial statements are not available, or its relevant financial year is not completed, at the time that the Form 13-503F1 is required to be filed under subsection 2.3(1) of the Rule.
- (3) The Commission will also consider requests for adjustments to fees paid in the case of incorrect calculations made by fee payors.

2.7 Indirect Avoidance of Rule - The Commission may examine arrangements or structures implemented by registrant firms and their affiliates that raise the suspicion of being structured solely for the purpose of reducing the fees payable under the Rule. In particular, the Commission will be interested in circumstances in which revenues from registrable activities carried on by a corporate group are not treated as revenues of a registrant firm, thereby possibly artificially reducing the specified Ontario revenue calculations used in determining fees payable under the Rule.

PART 3 PARTICIPATION FEES

3.1 Fees Payable in Advance

- (1) Section 2.1 of the Rule prescribes the annual payment of a participation fee by each registrant firm, for each calendar year, to be based on the specified Ontario revenues of the registrant firm for its previous financial year earned from CFA activities. Section 2.2 of the Rule requires the payment of a participation fee for a calendar year on December 31 of each year.
- (2) The Commission notes that the effect of sections 2.1 and 2.2 of the Rule is that a participation fee is payable in advance by a registrant firm for a calendar year, even though the fee is based on the specified Ontario revenues of the registrant firm for the last financial year of the registrant firm that ends before the beginning of the calendar year for which the participation fee is paid. In respect of a participation fee for the 2004 calendar year, the calculation of the fee would be based on the financial year of the registrant firm ending in 2003.
- (3) Section 2.2 and subsection 2.3(1) of the Rule require each registrant firm to file its Form 13-503F1 respecting its participation fee by December 1, and to pay its participation fee by December 31, of the year before the calendar year for which the participation fee applies. The fixing of one date for each of the filing and fee payment by a registrant firm is consistent with the National

Registration Database ("NRD") system of the Canadian securities regulatory authorities; the NRD system uses a common renewal date for all registrants of December 31 in each year.

- (4) By way of illustration, a registrant firm with a financial year end of June 30, will file a Form 13-503F1 by December 1, 2003 and pay its participation fee by December 31, 2003. That filing and payment will satisfy the registrant firm's obligations contained in the Rule for the 2004 calendar year, but the calculation of the participation fee will be based on the specified Ontario revenues of the registrant firm for the financial year ended June 30, 2003.
- (5) A registrant firm with a financial year end of December 31 will, by December 1, 2003, file its Form 13-503F1, and pay its participation fee by December 31, 2003, in order to pay its participation fee for the 2004 calendar year. Even though that filing and payment will satisfy the registrant firm's obligations contained in the Rule for the 2004 calendar year, the calculation of the participation fee will be based on the specified Ontario revenues of the registrant firm for the financial year ended December 31, 2003. In such circumstances, the registrant firm would use the mechanism of subsection 2.3(3) and (4) and section 2.4 to pay a participation fee based on an estimation of its specified Ontario revenues and later to adjust its payment.

3.2 **Late Fees** - Section 2.7 of the Rule prescribes the payment of additional fees in case of overdue payment of fees. The Commission notes that it will, in appropriate circumstances, consider tardiness in the payment of fees as a matter going to the fitness for registration of a registrant firm in considering the registration status of that registrant firm.

3.3 **"CFA Activities"** - Calculation of the participation fee involves consideration of the CFA activities undertaken by a person or company. The term "CFA activities" is defined in Section 1.1 of the Rule to include "activities for which registration under the CFA or an exemption from registration is required". The Commission is of the view that these activities would include, without limitation, trading in commodity futures contracts, providing commodity futures contracts-related advice and portfolio management services involving commodity futures contracts.

PART 4 **CALCULATION EXAMPLES**

4.1 **Calculation Examples** - Appendices A and B contain some examples of how fees would be calculated under the Rule.
